Biography

Currently I am a PhD student with ARLES. Prior to this I received my MSc from the Joseph Fourrier University (UJF - Grenoble, France). Originally, I am a software engineer, I received my engineering degree from the National Institut of Applicated Sciences and Technologies (INSAT - Tunis, Tunisia).

Research Interests

My current research interests include middleware-based QoS support for pervasive environments.

Publications

2009

N ebil Ben Mabrouk, Nikolaos Georgantas and Val erie Issarny. QoS- aware Service Composition in Dynamic Service Oriented Environments. In Middleware'09: Proceedings of the International Conference on Middleware, USA, 2009.

Semantic End-to-End QoS Model for Dynamic Service Oriented Environments. In Principles of Engineering Service Oriented Systems (PESOS'09), held in conjunction with the International Conference on Software Engineering (ICSE'09), 2009.
