

Accommodation in Paris with the lowest rates from different official sites

Cité Internationale Universitaire of Paris

http://www.ciup.fr/housing_researchers.htm

The **Cité Internationale** is located on a wooded park of 34 hectares in the south of the French capital and represents the largest concentration of residence halls in Paris : 5 600 beds in 38 residences. It offers, in addition to quality housing, a whole range of facilities and services related to everyday life.

The Reception Office of Foreign Researchers helps researchers and students find housing **before their arrival in Ile-de-France** at the Cité internationale universitaire of Paris.

Centres Internationaux de Séjour de Paris

<http://www.cisp.fr/cisp/index.asp? ln=us>

With more than 600 beds distributed in two accommodation centers in Paris the **Centres Internationaux de Paris** offer you economic and quality stays.

The **Centres Internationaux de Séjour de Paris** were set up by the City of Paris to make staying in Paris possible for the greatest number of people.

The **Centres Internationaux de Séjour de Paris** are managed by a public service organisation of the Paris Town Council, the **Ligue de l'Enseignement**.
